## ~ The Perfect Day ~

Hi my name is Kellie. Six years ago I came to Sorrento on holiday alone just to see what all the hype was about. Being a hopeless romantic I wanted to see if Sorrento and the Amalfi Coast was as stunning/breathtaking and romantic as I had heard it was... **it is!** I fell in love, instantly, and with everything!

From a little old Neapolitan man sitting in the piazza reading a newspaper, to a lovely little flower I found hidden away behind one of the many beautiful statues here in Sorrento... Not to mention how jaw droppingly beautiful it is everywhere you look.

**Yes I was truly in love, and still am!** Sorrento and the Amalfi Coast stole my heart immediately so I understand how it is one of the most popular places in Italy where people want to dedicate their lives to each other. That's why, as soon as was possible, I packed up my things from the UK and relocated.

Being a wedding planner for me means **having a passion for perfection**, so give me your worries and in return **I will give you confidence and reassurance, let me transform your visions and ideas into beautiful memories.**
